Pass: ash1090?
11:00-12:45
Information exchange and coordination
Compendium

http://www.cib-uclg.org/compendium-page

• Database of ongoing programmes of CIB members
• Can only be up to date with your input (and input from your colleagues)
• Potentially a great start for coordination
• Please share updates during this meetings as well!
This years’ compendium

• Most projects in Sub-Saharan Africa
• Increased focus on:
  – gender equality and social cohesion
  – environment and sustainability
